WELLBEING COMMENT

Sashana is a friendly and respectful student who always greets you with a smile. It has been pleasing to see her participate in many co-curricular opportunities. She continues to develop her skills in Music, through Senior Wind Ensemble and Contemporary Band. Sashana did a superb job in the College Production of The Addams Family. It is a joy to see her every morning and it is a pleasure to have her in our Tutor Group this year.

5 STAR REVIEW- TIMEZONE FREMANTLE

Today I took my 2 daughters and my little ones best friend for a big day out in Fremantle and we finished off our day at Timezone. I just wanted to say from the moment we walked in to the minute we walked out the IMPECCABLE customer service we had from Sash was OUTSTANDING!!! What a beautiful, kind, caring and fun staff member you have there!! She was on the floor and had seen from a distance my little one was crying and came straight over to make sure everything was ok and my little one had just got hurt by accident so straight away Sash ran off to get an ice pack and came back with a lolly for all of us and tried to cheer her up. Not to mention the whole time we were there she floating around and checking in with us and other patrons to make sure everyone was enjoying themselves just WOW!!

Even my daughters and my little ones friend who are 11,7 and 6 noticed and said "that lady is so nice and kind" what a great role model to this next generation! Thank you Sash for going above and beyond for Amber, Evelyn and Brooky it didn't go unnoticed and you certainly made sure their day finished on a high! We will definitely be back, thanks again Sash for such an amazing experience!

The best customer service by Sasha today. My daughter was a little upset and Sash really helped out, my daughter was very happy when Sash took Zara for a game and a lollipop. Outstanding customer service thank you !!

My son had his birthday party here, safe to say they had a great time, "best party yet" from the birthday boy. Sash was our party host and made the experience amazing she was helpful and played with all the kids ensuring they were all happy and having a good time! Thanks Sash!

My son and his friends had lots of fun on his 11th Birthday Celebration from Timezone Fremantle with the Ultimate Gamer Package. Everything is excellent - from ample and highly satisfactory game hours to the party room set-up. Sash, the TZ party host is definitely commendable for being very helpful, pleasant and approachable and she made everything smooth and stress-free party. Thank you so much 😊

I came in the other day and I was served by Sash. She was a lovely young lady and she was great with kids even though she didn't win 🤔🤔. Will definitely be returning just for sash!

I went there today with my partner and I was met by the most amazing lovely woman who helped us with our cards! Sashana was such a great help and it was so lovely to be around her they have such great energy and it really made our whole experience so much better, she was so nice to my kids and once we left they were talking about it all the way home. Make sure if you go to time zone fremantle you go and get Sashana to help you honestly what a sweetheart
